Darius Mayfield
Republican Congressional Candidate

Dear Darius,

Jersey 1st is a non-profit organization founded with the mission of bettering the lives of all New Jerseyans in areas such as education, community, business and financial discipline. In doing so, our organization has created an online TV network: Jersey 1st TV. The goal of Jersey 1st TV is to highlight current issues in our state through interviewing experts and current representatives.

Jersey 1st is proud to announce that it will be hosting debates in 2022 and will highlight key races in the state and issues surrounding the upcoming election. Your race is one that we would like to discuss. This year is going to be a landmark year for New Jersey and we want to give the people of our state a fair view of the political landscape in order to make informed decisions this November. Currently there is no effective platform for state legislative candidates to present their views and we would like to create an unbiased and even-handed place for this conversation to take place.

The debates will be moderated by a host affiliated with Jersey 1st TV. The moderator will have the task of asking the debate questions and ensuring that each candidate sticks to the allotted time. The moderator will not be allowed to interject their personal opinion, or comment on any of the candidate answers.

The debates will be recorded and released on a later date. The debate questions will be provided to all parties one (1) week prior to the debate. We would like to schedule your debate on one of the following dates: October 9, 2022; October 11, 2022; October 12, 2022 or October 13th, 2022 at 7:00pm; 8:00pm or 9:00pm. Please advise prior to September 1, 2022 which dates and times you are not available so we can schedule your debate accordingly. If you have any questions, please feel free to contact us at the email or phone number listed below.

Thank you, and I look forward to hearing from you soon!
